

On the occasion of **H.M. Queen Margrethe II's birthday**, the Royal Danish Embassy in Tokyo in collaboration with the Danish Chamber of Commerce in Japan are pleased to host a birthday celebration.

The Embassy courtyard will be open for BBQ buffet with a Danish inspired menu and there will be a live jazz band playing in the Residence of the Danish Ambassador (floor is open for dancing)

In connection with the 150 years Anniversary of Japan & Denmark Diplomatic Ties we hope that many of our members and friends of Denmark will join in to celebrate the birthday of H.M. the Queen of Denmark.

The event will be in a casual setting, so we hope that many will come joining with families.
